KEEP AURORA HILLS COMMUNITY CENTER OPEN

The Aurora Hills Community Center is accessible by foot, bike, and Metro to all Crystal City, Arlington Ridge and Aurora Highlands residents. We want to keep, maintain and grow this heart of our community and not to have our programs eliminated and usability decreased.

We urge the Arlington County Board to:

- ***Keep the Aurora Hills Senior Program open.*** Closing a program that serves up to 100 seniors 3 days a week year round to save $31,000 is neither equitable nor cost effective.

- ***Keep the Aurora Hills Library hours whole.*** Don't cut another day. It is a community gathering place for all who come to 22202 to live, work, and play.

- ***Make the Community Center open to all.*** Our residents will work to develop classes, workshops, lectures, clubs and groups that would pay for themselves and for the Center.
