Dear Members of the Arlington County Board,

I am sending this letter to you to show my support for the Aurora Hills Library. The Aurora Hills Library, as was described last year, is at the heart of our community. It serves many, many people in a variety of ways and is very important to the quality of life of our neighborhood.

As a community, we sincerely appreciate your support of the Aurora Hills Library for fiscal year 2010. We look forward to your continued support for fiscal year 2011.

Respectfully,
